Fall 2001

Charity of the Month – September 2001

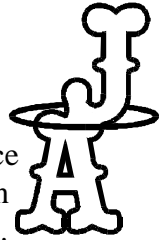

Once again, Joey's Angels Chapter of the Leukemia Research Foundation has been selected as Charity of the Month for the Signature Room at the 95th at the top of the John Hancock Center. As Charity of the Month, Joey's Angels will receive 10% of the sales from their Signature Selection menu offered during dinner throughout September. We were fortunate to be Charity of the Month two years ago and were able to receive around \$2,000. Let's try to beat that this year. Remember to dine at the Signature Room at the 95th and order off of the Signature Selection menu.

ALL OF OUR

A SUCCESSFUL
EVENT!**

News from the Top

Well, this was another banner year for Joey's Angels 5th Annual Angels in the Fairway Golf Outing. The day once again went very smoothly with double morning and afternoon shotguns at Midlane and a single shotgun at ThunderHawk. We had over 550 people attend the dinner program and were able to raise \$125,000 this year with \$30,000 raised on that day alone, bringing our five-year total to \$625,000.

I would like to thank everyone who participated in this year's event and especially those who were instrumental in recruiting sponsors. One of our goals once again, is to recruit *additional* major sponsors/donors in the \$7,500-\$15,000 range. If anybody knows of potential major sponsors/donors that would be interested in learning more about our organization, please contact us.

We had our committee meeting recap of the outing and received some good feedback. All comments, suggestions, opinions, or ideas are welcome to help improve for next year. If anyone would like to join our planning committee for the 6th Annual Angels in the Fairway or would like to be added to our volunteer list for next year's outing, please feel free to call us. Our committee usually meets once a month at FHP throughout the year.

We couldn't have done it without everyone's tremendous support. Please accept our sincerest thanks for your continued commitment to Joey's Angels.
